The reimbursement will be executed in the same way that payment was originally made, less any deduction for diminished value and less any amount you paid to have the vehicle originally delivered. Please note the admin fee charged when purchasing the vehicle will not be eligible for refund if the vehicle is returned.

9.2.4 If the cancelled Agreement involved a part-exchange vehicle, we will not be able to return the part-exchange vehicle to you, instead we will pay the agreed part-exchange value from your purchase order form back to you or seek payment from you to cover any negative equity.

9.2.5 If you have committed to a finance agreement, you must inform the finance company immediately of the cancellation in writing. You will be liable for any early termination fees. We do our best to avoid such fees, and only apply them if the finance provider charges such a fee.

9.2.5 – Distance Sales

If your purchase falls in to the category of a distance sale you have the right to cancel this contract within 14 days without giving any particular reason.

The cancellation period will expire after 14 days from the day on which you, or a third party on your behalf, collect or take delivery of your vehicle.

To meet the cancellation deadline, it is sufficient for you to send your clear statement or form confirming your exercise of the right to cancel before the cancellation period has expired.

9.2.6 Effects of cancellation (Distance Sales)

If you cancel this contract, we will reimburse to you payments received from you, NOT including the cost of delivering the vehicle to you. The reimbursement is subject to the following conditions:

- We may make a deduction from the reimbursement for loss in value of any goods supplied if the loss is the result of unnecessary handling by you. Anything over and above a standard test drive will be considered unnecessary handling and will lead to a deduction of £2 for each mile driven over 40 miles. In addition, we will also be entitled to make a deduction for any damage or excess wear.
- We will make the reimbursement without undue delay, and not later than 14 days after the day we receive back from you the vehicle and all documents which were supplied including, but not limited to, service histories, the V5 documentation and Sat Nav media or SD card. We reserve the right to register the vehicle with the DVLA only on expiry of your 14 day cancellation period.
- We will make the reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise. If the cancelled Agreement involved a part-exchange vehicle, we will not be able to return the part-exchange vehicle to you, instead we will pay the agreed part-exchange value from your purchase order form back to you or seek payment from you to cover any negative equity.
- We will withhold the reimbursement until we have received the goods and all paperwork back in good order.
- It is your responsibility to return the vehicle without undue delay and in any event not later than 14 days from the day on which you communicate your cancellation of this contract to us. The vehicle must not be driven from the date you notify us of your cancellation, other than to drive it back to us.
- If you have committed to a finance agreement, you must inform the finance company immediately of the cancellation in writing. You will be liable for any early termination fees. We do our best to avoid such fees, and only apply them if the finance provider charges such a fee
- Please note, the admin fee paid by you at the time of purchase will not be reimbursed if you choose to cancel your purchase within the 14 day period. The admin fee is a separate fee from the actual vehicle price.
- You will remain liable for the vehicle and so for its tax, insurance, and any fines, charges or penalties until it has been accepted back to our premises.
- You will have to bear the direct cost of returning the goods and take full responsibility for the safe return of the vehicle.
- You are only liable for any diminished value of the goods resulting from the handling other than which is necessary to establish the nature, characteristics and functioning of the goods according to the previous reference to test drives.

This cancellation (change of mind) clause does not affect any separate rights given to you in the Consumer Rights Act 2015.

These legal rights are not affected by your right of return and refund in this Condition section 9 or anything else in these terms. Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office.
